

Nissan Forklift

Nissan takes great delight in attaining overall client satisfaction, when their consumer is experiencing one of their various products including cars, trucks, and forklifts. Nissan Motor Co. Ltd is the parent company to Nissan's Forklift division. They are committed to providing high value and meticulous quality values to their clients. Incorporating a prosperous heritage combined with resilient processing principals, Nissan lift trucks provide some of the finest materials handling equipment the industry has to offer.

In order to meet the worldwide wishes of their assorted client base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Dedicated to offering consumer support, the company has four independent production facilities that permit them to continually adapt to their customers continually evolving desires by offering an assortment of progressive ideas and designs.

Nissan Forklift operations for North and South America is situated in Marengo, Illinois. Home to a staff of 350 personnel, they are committed to the design, manufacture, and support of their lift truck products. Utilizing ISO standards (ISO-9001 and ISO-14001 certifications) this permits sectors of the Nissan Forklift Operation to sustain environmental accountability by using techniques and procedures that limit their environmental footprint. These high standards remind customers that Nissan operates under the quality seal that their customers command whilst being an environmentally responsive organization.

Nissan is fairly certain that any of their clients questions and customer considerations directed towards them can be fully addressed. Always available through their website or by calling 800.871.LIFT, reaching one of their locally authorized sellers or even traveling to their Midwestern facility, Nissan Forklift Corporation is certain you will be impressed with their hospitality and dedication.
